Dear Mr. Marcus,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of \$3,600 received on 10/14/2022. As you requested, the funds have been earmarked for Ethiopia.

**We would like to acknowledge your generosity by including your name — which will appear as “Ethiopia & Eritrea Returned Peace Corps Volunteers, Inc.” — in publications such as our annual report.** If you would like us to make a correction, please call [646-253-4518](tel:646-253-4518) or email [USannualreport@newyork.msf.org](mailto:USannualreport@newyork.msf.org) within the next 30 days.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 60 countries, including:

- **War in Ukraine:** As war continues, our teams are providing medical and psychological care in mobile clinics and shelters across the country—while partnering with community groups.
- **Malnutrition in Afghanistan:** In Lashkar Gah, our teams are responding a worrying surge in the number of malnourished children. Our inpatient therapeutic feeding center treated over 537 severely malnourished children in May alone.
- **Violence in Haiti:** With fighting between armed groups escalating, our mobile clinics are helping people trapped in their homes. In one wave of violence, we treated almost 80 people with gunshot wounds, mainly from stray bullets.

Our critical work to deliver emergency care to people caught in these crises wouldn't be possible without your generous support. Thank you for being part of our important lifesaving mission.

Sincerely,

Avril Benoît  
Executive Director
