Dear Mr. Marcus,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of \$3,000 received on 12/14/2021. As you requested, the funds have been earmarked for Ethiopia.

We would like to acknowledge your generosity by including your name — which will appear as “Ethiopia & Eritrea Returned Peace Corps Volunteers, Inc.” — in publications such as our annual report. If you would like us to make a correction, please call [646-253-4518](tel:646-253-4518) or email USAnnualreport@newyork.msf.org within the next 30 days.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 60 countries, including:

- **Measles Emergency in Democratic Republic of Congo (DRC):** Our teams are continuing to respond to a concerning measles outbreak in DRC. Since December 2020, we’ve vaccinated 70,000 children and have supported eight health centers.
- **COVID-19 Crisis in Brazil:** Since April 2020, we have worked in several Brazilian states, supporting overwhelmed local health systems, providing training in infection prevention and control and mental health support.
- **Maintaining Medical Services in Myanmar:** At the onset of the recent military coup, we prepared an emergency team to act as soon as the need arose, donating medical supplies to hospitals and working to ensure that patients with HIV continue to receive care and medication refills.

Our critical work to deliver emergency care to people caught in these crises wouldn’t be possible without your generous support. Thank you for being part of our important lifesaving mission.

Sincerely,

Avril Benoît
Executive Director
