1634 Martha Ter
Rockville, MD 20852-4134

Dear Randolph,

We extend our heartfelt appreciation for your generous \$868.00 gift from Ethiopia & Eritrea RPCVs, Inc made on 12/26/2023. Your gift will strengthen Hesperian's efforts to provide people with the information they need to improve their health, even in the most challenging conditions.

Hesperian has empowered communities for 50 years and thanks to your support continues to meet the needs of the next generation.

I want to share just one example from Sister Aid Liberia, an organization that promotes women's health and equality. Sister Aid's Director Miatta Darwolor used the earlier version of our Safe Pregnancy App to innovate midwife training in her West African country. Her feedback and suggestions assisted Hesperian to create the new version of the app we proudly released last month. Miatta and her colleagues are now excited to introduce the New Safe Pregnancy and Birth app to midwives and health promoters throughout the country. This ripple effect of Hesperian's work is how our small organization makes such a lasting impact.

Miatta speaks to the generational impact of Hesperian's work in her own personal life:

"I grew up with *Where There Is No Doctor*. My parents said it was their only help due to the lack of health facilities and doctors around. Even now, it remains the best health resource for me and my family, alongside *Where Women Have No Doctor* – and now Hesperian's apps!"

We couldn't do this work without your support. Thank you for adding this contribution to the many important things you do to help create a more just world and will help us propel this work forward.

With warmest regards,

Sarah Shannon
Executive Director

Dear Randolph,
Warm greetings and best wishes for the new year! We are so grateful for the generous long-time support and partnership with the Ethiopia and Eritrea RPCVs.
With gratitude, Sarah
